Shires looks forward to welcoming tenants to these new apartments this summer. First, however, it's important to take a step back and celebrate the hard work it's taken to build this quality, affordable housing. With completion slated for June of 2019, we would love to give you a preview of these beautiful new apartments under construction.

To thank you, our many partners and dedicated board members, for helping Shires bring about this investment in the Bennington community, we'd like to invite you to take a sneak peek with an all-access tour of the new downtown Monument View apartment complex and see the progress we have made toward our goals.
