

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Town of Bennington and Berkshire Family YMCA Partnership

The Town of Bennington is committed to keeping the rates at the Recreation Center affordable and will continue to invest in the Recreation Center as a vital resource for our community. The Berkshire Family YMCA is responsible for management of the Recreation Center programs, but the Town of Bennington retains ownership of the building and grounds. Berkshire Family YMCA is providing senior leadership to the Town of Bennington's Recreation Center and the Senior Center in the following ways:

- Best practices in the Aquatics Department that increase aquatics programs and efficiencies.
- More health and wellness programming and offerings at both the Recreation Center and Senior Center.
- An increase in youth programming at the Recreation Center, such as Kids Night Out, Healthy Kids Day, and a variety of summer camps.
- Participation in key community events and community outreach to local organizations with the YMCA's shared mission of youth development, healthy living, and social responsibility.
- An annual fundraising campaign to support new programming.
