11th Annual No Limits Fall Foliage Ride for Bart Adaptive

Saturday, September 14, 2019

The No Limits Fall Foliage Ride for Bart Adaptive offers rides ranging from 100, 65, and 30 mile options as well as a Family Fun ride of a 10 mile route through the scenery of Southern Vermont and New York State benefiting Bart J. Ruggiere Adaptive Sports Center.

The No Limits Bike Event will be held rain or shine. Last year's event featured a beautiful early autumn day showing the early changes of color as well as some beautiful country side as participants cycle their chosen route.

The No Limits Bike Ride will also help you remember "The only limits that anyone has, are the limits they set themselves."
