

NOTICE

The Bennington Senior Center (upstairs) will be CLOSED until further notice, in compliance with COVID-19 mitigation recommendations.

On Friday, November 13, 2020 Governor Scott issued Addendum 8 of Executive Order 01-20 which extends the State of Emergency through December 15. The order also recognizes the recent surge in COVID-19 cases and institutes an “appropriate return to more limited standards of operation and social gatherings in order to control outbreaks of COVID-19”.

Based on the recent Executive Order and after consultation with the Vermont Department of Health, **the AHS and DAIL recommend that senior centers in Vermont suspend in-person group programming.**

We will NOT be accepting item donations at this time. The Bike Labyrinth interactive exercise bike will be available by appointment ONLY. To schedule, or if you have questions, you may call (802)442-1052 or email to cfabricius@benningtonvt.org. Messages and emails will still be collected/returned during this time.
